Use **Resources 5, 6, 7 and 8** and ideas from the resource booklet plus your own knowledge.

Specialist retirement accommodation is becoming increasingly popular in the UK. East Lothian Council have received proposals for three sites in Dunbar.

These options are:

Option 1

Build a new retirement complex on the greenfield area at site 1.

Option 2

Knock down the industrial units at site 2 and build a new retirement complex.

Option 3

Redevelop a large old hotel as a retirement complex at site 3.

Task

You are a member of the planning department of East Lothian Council. You have to write a report for the whole council explaining which site you think should be developed.

In your report you should:

- State your chosen option
- Explain why you think your option is more suitable than **each** of the other options
- Explain any disadvantages of your chosen option
- Suggest why a retirement complex could be considered to be a sustainable way of meeting the challenge of an ageing population
