Dear Parent(s)/Carer(s),

IMPORTANT - ACCESS TO THE SCHOOL CAR PARK

It has come to our attention that a small number of parents are accessing the school car park, at the beginning and end of the school day, and parking in the layby area directly outside the front of the school building. This causes obstructions for students arriving and leaving the school site at these busy times.

To ensure that we provide a safe environment for our students, only parents with expressed permission to access the school car park may do so.

In addition, it has also come to our attention that parents parking on Water Orton Road to collect students at the end of the school day are doing so on the zebra crossing. Obviously, this is a direct health and safety issue as many students use the zebra crossing to cross the road safely. Again, I would ask that parents do not park on the zebra crossing.

As always, I appreciate your support with this matter.

Yours faithfully,

Mr S Gregory
