Volume 1, Issue 3

Celebrating Success

Students from years 8 to 11 ended the first half term with the postponed 2019-2020 reward celebration. Normally we would have the whole year group in the assembly hall, with key members of the senior leadership team, the pastoral team, parents and governors and collectively celebrate the wonderful achievements of each year group. Of course, this year there was a need to do things differently but the achievements and successes of our students are just as important as any other year and we continue to be extremely proud of their achievements.

Receiving a colour is not only a huge honour but something that students wear with a huge amount of pride on their blazers. It is something that will physically stay with them for the rest of their time at Park Hall. During the normal period 5 lessons on Friday 23rd October, students listened as the list of names of the award winners were read out and students stood to receive their well-deserved round of applause. The afternoon was a wonderful celebration of the continued hard work and successes from the 2019-2020 academic year.

Congratulations to all of the award winners.

Mr A Goodridge
