September 2024

Dear Year 11 Parents/Carers,

It has been an absolute pleasure welcoming Year 11 back to school for the new term. It is great to see them return with determination to make this crucial year a success. With preparation for exams being a key focus in this year it is vital that time in school, and independent study at home is maximised to accelerate progress.

To address this, we are very fortunate to be able to offer Wednesday morning masterclasses to all Year 11 students throughout this year. Within the masterclasses your child will have the opportunity to consolidate learning in core subjects, as well as develop key strategies to support effective revision outside of school. These sessions are compulsory and will commence at 8:30am. A prompt start is vital to ensure the sessions have the greatest impact, so I advise students to be at school by 8:20am each Wednesday so that they have enough time to get registered and organised. Upon arrival to school on Wednesdays, Year 11 will be directed to where their session will take place. Lateness will be dealt with as per the school policy.

I would also like to make you aware that we are hosting Year 11 intervention evening on Monday 30th September 2024. This is a fantastic opportunity to receive extensive guidance on how to get the most out of revision and how to best prepare your child for their upcoming summer examinations. Further details to follow.

As a school community we want to develop resilient learners that consistently reach for their full potential. It would be fantastic if you could support us with encouraging your child to be punctual each Wednesday morning to support this message.

Yours Sincerely,

Mr T Robinson
Head of Upper School
