Dear Parents/Carers,

Important Information – Uniform – Skirt Length and Long Socks

We have welcomed students back to the Academy this week and it is necessary to address the expectations of our student uniform regarding skirt length and long socks.

As a school we have made the expectations to students and parents clear regarding the importance of the standard of uniform at several points throughout the last academic year. It is important to stress to students that this is their place of work and where appropriate school should mirror the professional standards of real-life settings.

Students need to be dressed in a smart, professional manner to maintain a formal standard that is necessary for a positive mindset for learning. We want students to take pride in their Park Hall Academy uniform, as you and they have chosen to be a part of our community. We therefore want to keep conversations with your child positive and focussed on learning.

Can you please speak to your child as necessary and please check before school that their uniform is compliant with our policy. Skirt length is to be no more than 5cm above or below the knee and knee length socks are not permitted. As of Monday 9th September, any students breaching this expectation will be sanctioned accordingly.

The full uniform policy and expectations can be found on the school website and on page 8 of student planners.

Thank you for your ongoing support.

Yours Faithfully,

Mr S Gregory
Deputy Headteacher
