Welcome to the new academic year

Dear Parent/ Carers

As we embark on a new school year, I would like to extend a warm welcome to all of you, especially to those joining our school community for the first time. We are excited to have your children with us and look forward to a successful and enriching academic year ahead.

As you know, at Park Hall Academy we are committed to providing a supportive and stimulating environment where each student can thrive both academically and personally. Our dedicated team of qualified teachers and support staff are prepared to guide students through their learning journey, encouraging them to develop critical thinking skills, creativity, and a strong sense of responsibility. These attributes are exemplified by the article in the Birmingham Mail, that you may have seen over the summer, about Olivia Wallbank, one of our Year 13 students, who will be starting at Oxford University in a few weeks to study Law. We hope that she acts as an inspiration to all our students to achieve their potential and realise their dreams after completing their Sixth Form studies.

As partners in your child's education, your involvement is invaluable. We encourage open communication between home and school and invite you to participate in school events, parent-teacher meetings, and other opportunities to engage with the school community. Together, we can ensure that your child receives the best possible education and support. This is the message I have been sharing in the assemblies I have led this week asking them to work hard to realise their potential, drawing inspiration from our national success in the Olympic Games.

Throughout the year, you will receive regular updates regarding school activities, important dates, and ways you can be involved. For example, we try and publicise school events in our weekly newsletter. Please feel free to contact us with any questions or concerns. In the meantime, please do look at your child's planner and Edulink to review their work in school.

We are looking forward to a productive and inspiring school year. Together, we will strive to make this year a rewarding experience for all.

Yours faithfully

Dr T. Close
Associate Headteacher
