

TMO/CAR/WH

17 May 2011

Dear Parents /Carers

You will already be aware from information sent out with The Chronicle at the start of this term that May is a special month for Park Hall this year.

60 years ago in 1951 the first school on this site opened its doors to students. to celebrate this milestone in the life of the school we are holding a special event on Friday 27 May.

**Our current students will break up for half term at 12.30pm on Friday 27 May.** This will allow us a little time to organise the building ahead of a 1.30pm opening to visitors. If you have a family member who has been a student at Park Hall in the past, particularly if they were one of the first entrants in 1951 do let them know and bring them along we would love to meet them.

Please do join us for a trip down memory lane to celebrate the life of the school and share in the wonder of the new panel commissioned to launch the Academy and take learning at Park Hall into the future.

We look forward to meeting you between 1.30 and 3.00pm on Friday 27 May.

Yours sincerely

Tony Morrison  
Principal
