28 April 2011

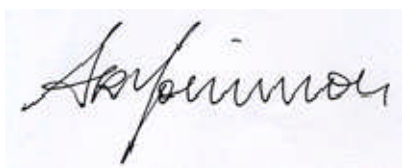

Dear Parents/ Carers,

I am writing to inform you of a school closure on Friday 13th May 2011.

This will be a staff training day and therefore the school will be closed to all students. This day will provide time for the staff to prepare materials for the new Virtual Learning Platform 'FROG' which you have hopefully heard all about from your son/daughter. These materials will provide support for all students in carrying out homework and classwork and providing general study support.

If you have any further queries regarding these arrangements, please do not hesitate to contact your son or daughters Head of House at school.

Yours sincerely
