## Years 10-13, Would you like your child to have a one-to-one Meeting with a Careers Advisor?

Perhaps they are unsure about what their future holds? Should they study A-Levels or a vocational qualification? What are the advantages of apprenticeships? Is university right for them? What skills do they already have? If you would like them to speak to a careers advisor, then please fill in the form linked below:

## Celebrating Success

Well done to **7b/pa4, 7a/pa2 and 8a/pa2** for giving fantastic verbal feedback to their peers on their performance

**Year 11 Set 4 English** for their fantastic approach to learning when analysing figurative language

The following pupils who have all achieved 200+ Pride points so far this year, a fantastic effort showing a great commitment to learning;

**Jake Johnson, Leshaye Lee, Lewis Carpenter, Imaan Shohid, Holly Taylor, Dylan Dalton, Reuben Barnes, Alexia Porter, Rebecca Hill, Kian Naven, Ruby Spink, Peyton Maxwell, Grace MacLennan-Watkins, Adam Khan, Taylor Slater, Abdullah Imran, Dylan Wayt, Harrison Tonks, Logan Roberts, Tilly Ray, Connie Langley, Warren Dixon, Cerys Davies and Sienna- Leigh Byrne**

## Seneca Learning

Seneca Learning is a fantastic learning tool, every pupil has an account and has access to the premium content. Pupils should use it for homework and also personal study/revision.

Go to [www.senecalearning.com](http://www.senecalearning.com)

**Username** – your school email address ([22jbloggs@student.parkhall.org](mailto:22jbloggs@student.parkhall.org))

**Password** – if they have not logged on before it will be seneca2020

If they have logged on before and have forgotten their password, they should click *forgotten password?* and a link will be sent to their school email address.

## Calculators

Pupils should bring their own calculator to school. We recommend the Casio fx85gtx for the majority of students. They are on ParentPay and usually available second hand on vinted and Facebook marketplace.

For students studying A level maths and GCSE Statistics and Additional Maths we recommend the Casio 991ex

## Performing Arts

This week in Performing Arts: Musical Theatre we have been learning how to do vocal warm-ups. We have been exploring different skills and techniques needed to be a singer and some groups in particular have made a great impression on our new Singer Tutor Miss Irwin and Head of Department Mrs Cullum-Kenyon!

### Extra-Curricular Activities

Clubs are provided free of charge, It is expected that all pupils in Key Stage 3 participate in at least one club per week. Extra curricular activities boost pupils confidence to interact socially with others, extend their social networks and provide them with new skills and abilities. Above all, they are an important space to have fun and relax. Places at clubs are limited, it is advised that you reserve your child's place at a club via the EduLink app.

### Year 11 Period 6 sessions

We are very pleased to offer a range of additional after-school revision and intervention sessions for Year 11 pupils to help them prepare for their final examinations next summer.

These will take place from 3:15 for around 45minutes to one hour, these session will begin week commencing Monday 26th September.

Historically, feedback from students about these sessions has been extremely positive. A timetable of sessions on offer can be seen below.
