Year 9 Parents Evening

Year 9 Parents' Evening is on Thursday 1st December. This is an important opportunity for you to discuss with your child's teachers how well they have settled into Year 9, their strengths, and targets for improvement.

Appointments are made on school cloud but this is a **face to face parents evening** at Park Hall. **If you are unable to attend for any reason**, please make sure you inform Mr Williams, your child's Head of Year, on awilliams@parkhall.org so we can invite you into school at another time to discuss your child's progress.

Progress Checks

Pupils will be bringing home their progress checks from Assessment Cycle 1 on Thursday 1st December. The grades that have been awarded reflect a working at grade based upon the classwork, homework, and assessments that they have completed since the start of the school year. Pupils will have reflected upon the progress they have made, please can you complete page 46 in their planners with any comments in regards to progress or attitude to learning.

This week in PSHE all students have been studying the topic: THE WIDER WORLD

The Wider World - Finance

Year 7	Year 8	Year 9	Year 10	Year 11	Year 12	Year 13
Budgets	Credit and Debt	Avoiding Debt	Continue with Conflict Management	Continue with Happiness and Positivity	Choosing financial products	Choosing financial products

Excellent classwork and homework

In Mr Goodridge's Year 8 STEM lesson, the group were tasked with designing a cover for a DVD with a focus on a film themed around **anti-bullying** week. With conversations around the theme of anti-bullying and key features of a DVD cover, the STEM class designed some wonderful DVD covers with powerful messages and themes. Work written by: **Grace McLeod, Ella Walsh-Prime and Eve Barton.**
