Celebrating Success

Well done to Abdullah Imran for his brilliant Art homework creating a mechanical robot.

A huge well done to all those who have been named below as the second 'Stars of the Rotation' across key stage 3 Design & Technology. You have been recognised by your teacher for all your hard work and determination throughout your subject. Congratulations!

Presentation Evening

On Monday 9th January we held our annual presentation evening, celebrating the achievements of pupils across the school. We were joined by Arden Multi Academy Trust CEO, M Murphy, Executive Headteacher, D Burgess and Chair of Governors N Chowdhury. Watford MP and former Park Hall pupil, Mr. D Russell, gave an inspiring speech to our prize winners.

Our guests, including our school governors, were served a delightful selection of canapes by our Year 10 Hospitality and Catering students.
